## Emerging Leaders Program application is now open! Deadline June 1, 2021

The Emerging Leaders Program introduces young leaders to advanced leadership concepts and builds a strong foundation for leadership into the 21st century. The program recruits exceptional students who we identify as our nation's future leaders. Our students engage in a six-month program that fosters personal and professional development focused on critical thinking and problem solving. We connect our students with current leaders, and we expose them to opportunities and events that are outside their range of experiences.

## TGI Fun Fact

Dr. Robert Russa Moton sat on the boards of major philanthropic organizations with the likes of Andrew Carnegie and John D. Rockefeller Jr., and his influence was considerable. When Julius Rosenwald, president of Sears, Roebuck and Company, provided the funding to build more than 6,000 "Rosenwald" schools for rural Southern African Americans, Moton's skills were clearly in play behind the scenes.
