

Congratulations to the Emerging Leaders Class of 2021!

The 2020-2021 Virtual Emerging Leaders Program commenced on Saturday, April 24, 2021, and fifteen of Virginia's brightest college student leaders completed the required course of study to receive completion certificates. We're excited to share the opportunities a few of our graduates will embark upon this summer.

Alexis Walker

Emerging Leaders Program application is now open! Deadline June 1, 2021

The Emerging Leaders Program introduces young leaders to advanced leadership concepts and builds a strong foundation for leadership into the 21st century. The program recruits exceptional students who we identify as our nation's future leaders. Our students engage in a six-month program that fosters personal and professional development focused on critical thinking and problem solving. We connect our students with current leaders, and we expose them to opportunities and events that are outside their range of experiences.
